STUDENT CONSULT, EXPERT CONSULT

The screenshot shows the Student Consult website in a web browser. The browser's address bar displays the URL <https://studentconsult.inkling.com>. The website header includes the 'Student CONSULT' logo with the tagline 'built with inkling', navigation links for 'SHOP', 'MY LIBRARY', and 'ABOUT', a search bar labeled 'Find books', a 'CART' link, and a user profile icon.

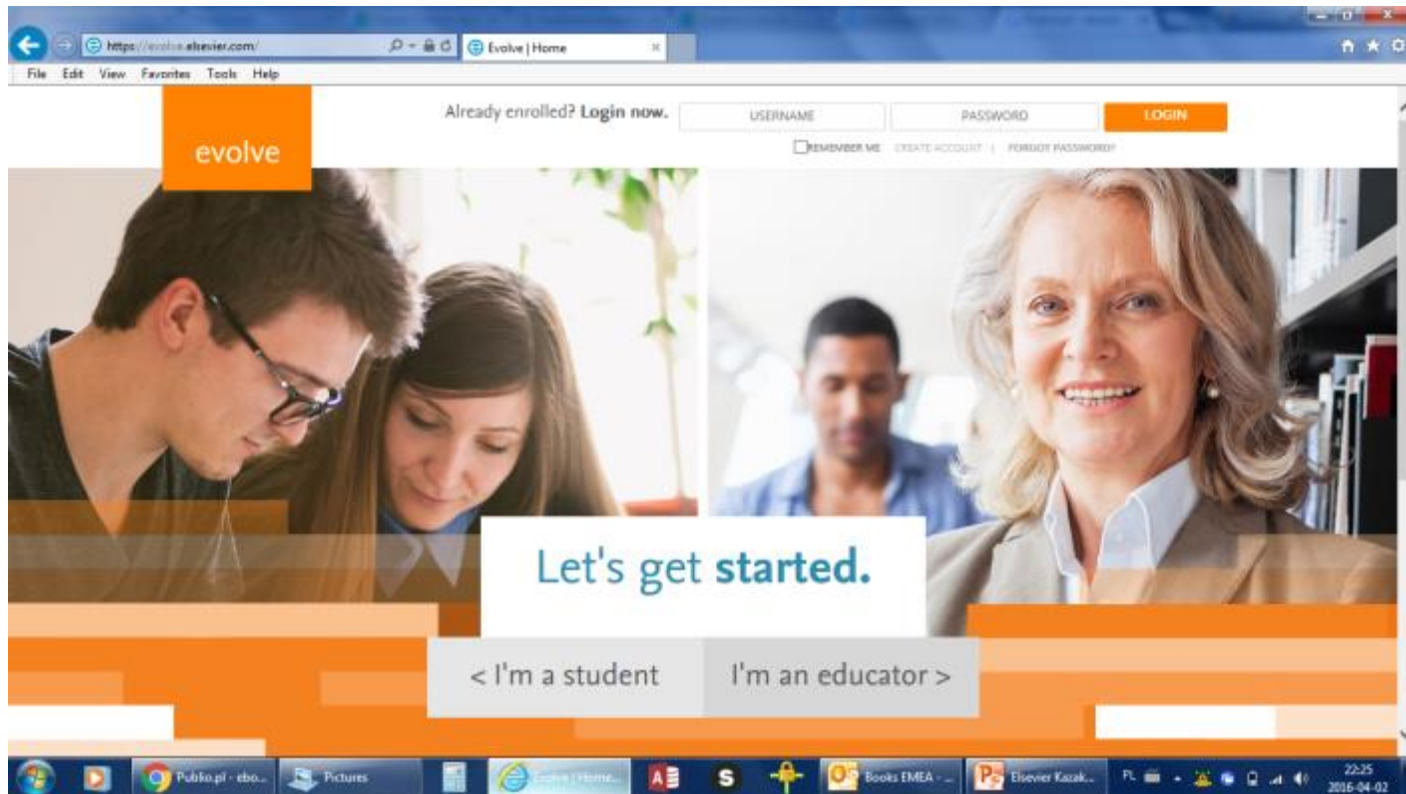

The main banner features the text 'Portable. Searchable. Shareable. Perpetual. Discover our new, more powerful eBook platform today.' alongside images of a smartphone, tablet, and laptop displaying anatomical content. A 'LEARN MORE' button is positioned at the bottom right of the banner.

Below the banner, the 'Featured Categories' section lists: ANATOMY, CLINICAL SCIENCE, EMBRYOLOGY, EPIDEMIOLOGY, HISTOLOGY, and IMMUNOLOGY. To the right of this list is a 'Redeem a Book Code' field with a 'REDEEM' button and a 'Download Inkling Apps' section with 'Read on the go with Inkling apps.' and buttons for the 'App Store' and 'Google play'.

The 'New Releases' section displays three featured titles: 'Textbook of Physical Diagnosis Video Series' (1st edition by Swartz), 'Fitzgerald's Clinical Neuroanatomy and Neuroscience', and 'Netter's Orthopaedic Clinical Examination' (3rd edition by Joshua A.). A 'View All (8)' link is located to the right of the titles.

The browser's taskbar at the bottom shows various open applications, including a web browser, file explorer, and several office and communication tools. The system clock indicates the time is 09:59 on 2016-04-26.

23rd edition of Davidson's Principles and Practice of Medicine

New to this edition:

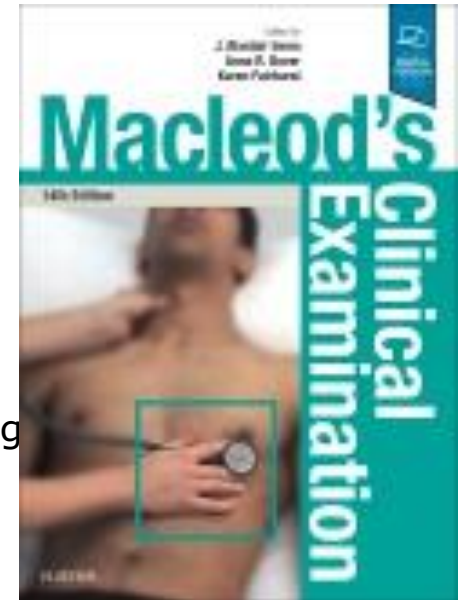

- The new second section on emergency and critical care medicine,
- Two new chapters on maternal and adolescent/transition medicine,
- A new chapter on medical ophthalmology,
- The opening chapter has been completely rewritten with a new focus on the important principles of clinical decision-making or clinical reasoning,
- A new internal text design for this 23rd Edition provides a simpler and clearer presentation of the various categories of text boxes.

14th edition of Macleod's Clinical Examination

New to this edition:

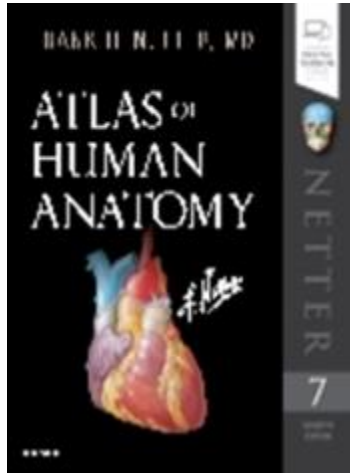

- contents and format were radically revised,
- several new chapters have been created:
 - a chapter on patients with mental illness;
 - a chapter on examining the frail elderly;
 - a chapter on the key issues to be considered when examining a deteriorating patient;
 - a chapter on preparing for clinical practice.
- the structure of the text has been rationalized with a more balanced use of boxes,
- tables and figures to set out the concepts more clearly.
