INFORMATION LETTER

The II Scientific and theoretical online conference with international participation

«Tea in Historical, Cultural and Medical Aspects»

(Kursk, December 15, 2021)

Kursk State Medical University is holding the II scientific and theoretical online conference with international participation "Tea in the historical, cultural and medical aspects."

Teachers and students of universities, researchers of scientific, educational, medical institutions, libraries are invited to participate in the online conference.

Goals and objectives of the conference: popularization of tea properties, its history and cultural significance; revival of the traditions of Russian tea drinking; cultural exchange between representatives of different countries; strengthening of interethnic friendly relations.

The conference program provides a plenary session and works in parallel sections, round tables.

The work in the sections is planned to be organized in the following areas (topics):

- Pharmacology of tea: drug compatibility features
- Tea traditions: historical and cultural aspects
- Tea ceremonies of different nations
- Reflection of tea traditions in art and literature
- Tea cultural identity as a way of intercultural dialogue
- Biological properties of tea
- Ethnolinguistic aspect of tea terminology in modern culture
- Role of tea in the prevention and treatment of diseases

The conference will take place in December 15, 2021

The working language of the conference is Russian, English.

Form of participation in the conference: intramural and extramural, Zoom platform.

Conditions for participation in the online conference

To participate in the conference, you must submit an application by December 1, 2021 by filling out the electronic registration form for the participant at the link:

<https://forms.gle/Jj86EfSyPWZXfGtt6>

Forms of participation in the conference: 1) report, message (not more than 10 minutes) online; 2) video recording of the report; 3) an article in the collection of conference materials.

Requirements for the design of publications (Appendix 1).

The articles must be sent electronically by e-mail: libkgmuforum@mail.ru marked "conference in December 15, 2021".

Articles, abstracts of reports, based on the results of the conference, will be published in the collection of materials, with subsequent placement in the scientific electronic library eLIBRARU.RU. The collection as a general book (not article by article) is placed in the RSCI.

The conference committee reserves the right not to accept materials for publication that do not correspond to the declared topic of the conference, that have not been tested in the «Antiplagiat» system for illegal borrowing (the original text of the article must be at least 65%), as well as submitted in violation of the deadlines and established rules of registration.
