INFORMATION LETTER

on holding the IV scientific-theoretical conference with international participation

«Tea in Historical, Cultural and Medical Aspects»

(Kursk, December 15, 2025)

Kursk State Medical University conducts the IV scientific-theoretical conference with international participation «Tea in Historical, Cultural and Medical Aspects».

Teachers and students of universities, researchers of scientific, educational, medical institutions, libraries are invited to participate in the conference.

Goals and objectives of the conference: popularization of tea properties, its history and cultural significance; revival of the traditions of Russian tea drinking; cultural exchange between representatives of different countries; strengthening of interethnic friendly relations.

The conference program provides a plenary session and works in parallel sections, round tables.

The work in the sections is planned to be organized in the following areas (topics):

- Biochemical properties of tea
- Pharmacological peculiarities of compatibility of tea with drugs
- The role of tea in prevention and treatment of diseases
- Organoleptic evaluation of tea quality
- Tea Traditions: Historical and Cultural Aspects
- Tea ceremonies of different peoples
- Reflection of Tea Traditions in Art and Literature
- Tea cultural identity as a way of intercultural dialogue
- Ethnolinguistic aspect of tea terminology in contemporary culture

The conference will be held on **December 15, 2025**. Start time: **10:00** a.m. (AM Moscow)

The working languages of the conference are Russian, English, Chinese.

Format is in-person and remote using the Zoom platform.

Conditions for participation in the conference

To participate in the conference, you must submit an application by December 10, 2025 by filling out the electronic registration form for the participant at the link: <https://ksmuconfs.org/?p=61536>

Forms of participation in the conference: 1) the report (in-person or distantly, video recording is possible) (not more than 10 minutes); 2) publication in the conference proceedings; 3) as a listener (in-person or online).

Requirements for the design of publications (*Appendix 1*).

Materials of articles and abstracts of reports should be sent electronically to email: biblkgmu@mail.ru with a note "Conference on December 15, 2025. Article" or "Conference on December 15, 2025. Abstracts".

Articles and abstracts of individual reports on the results of the conference will be published in the Proceedings, with subsequent placement in the scientific electronic library eLIBRARY.RU. The Proceedings as a general book (not article by article) will be placed in the RSCI on the platform <https://elibrary.ru/>.

The conference committee reserves the right not to accept materials for publication that do not correspond to the declared topic of the conference, that have not been tested in the «Antiplagiat» system for illegal borrowing (the original text of the article must be at least 70%), as well as submitted in violation of the deadlines and established rules of registration.
